

EMAIL VOTES POLICY

Episcopal Diocese of the Rio Grande

Whereas it has been the occasional practice of the canonical bodies of the Episcopal Diocese of the Rio Grande to conduct business via electronic vote under exigent circumstances, it shall be the policy of the Diocese that its canonical bodies, under the pressure of circumstances, may conduct votes via email to expedite decisions. The electronic vote shall then be ratified by voice vote at the next regular meeting.

Approved by Standing Committee: July 13, 2016
