

CONDUCTING MEETINGS VIA TELECONFERENCE POLICY

Episcopal Diocese of the Rio Grande

Whereas it is the responsibility of the canonical bodies of the Episcopal Diocese of the Rio Grande to reduce expenses whenever possible, it shall be the policy of the Diocese that its canonical bodies should, whenever practical, conduct meetings via teleconference. Those participating via teleconference will be noted in the minutes of such meetings, and will count towards the quorum. Any decisions taken through such teleconference meetings will have the same effect and full force as meetings held in person. At such times, reimbursement for travel shall not be available.
